FILE: Seminole Stone, Inc. - Bonding - Permit #0821

March 12, 2004

Seminole Stone, Inc.
Jeff Knies
1503 South Meridian Road
Jasper, Indiana 47546

Dear Mr. Knies:

The Staff Director approved the Seminole Stone, Inc. Bond Release request of two (2)-acres of land associated with Site 1. Seminole Stone, Inc., no longer has an obligation to the Department of Natural Resources, Land Reclamation Program concerning this two-acre portion of the long-term mine plan boundary.

I have enclosed a form titled Notice of Bond Release indicating that surety bond number 31013050857996 should be reduced by 1,000.00 dollars. I have also mailed a copy of this letter, Request for Approval of Reclaimed Land (form) stamped Approved and a copy of the Notice of Bond Release to Timothy Taylor, Tobias Insurance Group, Inc, P.O. Box 90380, Indianapolis, Indiana 46290-0380. Please have Timothy Taylor, submit a rider decreasing bond number 31013050857996 by 1,000.00 dollars from the current figure of 17,000.00 to 16,000.00 dollars.

As indicated in my August 13, 2003, inspection report this two-acre area did not require a bond as no overburden was used from the mining process to help level the area.

Rarely do I make a comment concerning company staff and the way they help conduct business. I do want to make you aware that after speaking with two different members of your staff concerning bonding document questions I found them to be quite helpful, cooperative and professional. Thank you.

Integrity and excellence in all we do
